Talks

We have restarted talks at Woodmead Halls. We will not however be providing refreshments. The doors will be open from 10.30 am. The seating will be limited due to the need for social distancing.

July 2022:

Friday 8 July 11.00 am: Maggie Davidson - Hillforts

What do we *really* know about the Iron Age Hillforts around Lyme Regis?

There are a number of Iron Age Hillforts within a 15 mile radius of Lyme Regis, including Lambert's Castle, Coney's Castle, Musbury Castle and Pilsdon Pen, and larger and more imposing structures like Maiden Castle, Woodbury Castle and Hambledon Hill further afield. Built around 2,500 years ago, they have been investigated and theorized about by antiquarians and archaeologists over the past 300 years. This talk to Lyme Regis u3a will examine how these investigations and analyses have informed, and in some cases transformed, our understanding of the purpose, construction and use of these sites.

The speaker, Maggie Davidson, set up the Lyme Regis u3a Archaeology Group in 2020 which has been researching and visiting these hillforts since then. With a diploma in Archaeology and having participated in excavations in the UK and Bolivia, Maggie has a passion for prehistoric and landscape archaeology.

Friday 15 July 10.00 am: Science & Technology – Peter Williams - Exoplanets

August 2022:

Friday 12 August 11.00 am: Wildlife Quiz – David Bailey

Friday --- August 10.00 am: Science & Technology – **NO TALK** (in September Steve Coles will talk about our microbiome)

Rare Book Group

After a two year Covid related hiatus, the *Rare Book Group* of the *Lyme Regis' U3A* re-convened on June 10th to explore an exceedingly rare book from 1515, dedicated to *Lucretia Borgia* by Renaissance scholar *Pietro Bembo*. Lucretia has become infamous in history, but this is largely undeserved.

The photo, above left, shows the group pouring over this little gem measuring 6 x 10 cm (see below)...and still encased in its original vellum!

Lucretia herself can be seen above right, when young. Considered a great beauty...we see her here c1495, at around the age of 15. The poems and love letters between her and Bembo surfaced in 1816, via Lord Byron's travels in Italy. When he reached the Borgia archive in the *Biblioteca Ambrosiana* in Milan, he pronounced them "*The Prettiest Love Letters in the World*".

Contact Rob Speer on books@sanctuarybookshop.co.uk if you are interested in joining this group.
