APRIL "CHEERS" APRIL 2020

For Newsletter and NEWS "CHEERS" contact Sue Wilson

April "Cheers". This is something completely different - a bit of entertaining TRIVIA. It is intended to bring some cheer to your lives- to raise a smile, perhaps even a chuckle - to keep us cheerful and together during this strange and difficult time.

Not all the content will be to your taste but we have a diverse membership

Intended as a bit of nonsense - a bit of fun. Hopefully the start of something that will snowball.

I would welcome entries for the next edition - if you have something that you think we could share with members please send through to me.

Could be something a grandchild has said or a poem or humorous observation.

Things have moved on at a pace since I started this - there are endless funny videos circulating but the links to connect are very lengthy and not suitable for this format (though someone out there might be able to advise.) There is also the potential of security risk to your computer.

Contributed by a member of the walking group John Bookwood who has recently moved to Lyme and joined our branch of the U3A.

ON HEARING ILL RUMOUR THAT LONDONERS MAY SOON BE URGED INTO THEIR LODGINGS BY HER MAJESTY'S MEN, I LOOKED UPON THE STREET TO SEE A GAGGLE OF STRIPLINGS MAKING FAIR MERRY, AND NO DOUBT SPREADING THE PLAGUE WELL ABOUT. NOT A CARE HAD THESE ROGUES FOR THE HEALTH OF THEIR ELDERS!

This was circulating on Facebook and will not be appreciated by everyone.

'I've worked out the Corona Virus!!

IT'S BEEN CREATED BY WOMEN!! Think about it lads.....

'1 – No Sports

'2 – All pubs to shut

'3 – 14 Days Quarantine (so you can finally get those odd jobs done)

'4 – Symptoms of Corona are flu like... THEY KNOW THATS OUR KRYPTONITE

'5 – They even had the audacity to name it after a beer!

All of us have moments in our lives that test our courage. Taking children into a house with a white carpet is one of them.

I don't mean to brag, but I put together a puzzle in one day and the box said 2-4 years.

When you are stressed you eat ice cream, cake, chocolate and sweets, because stressed spelled backwards is desserts. Anonymous

This poem usually attributed to Spike Milligan but possibly he is not the real author

Smiling is infectious
You catch it like the flu
When someone smiled at me today
I started smiling too
I walked around the corner
And someone saw me grin
When he smiled I realised
I had passed it on to him
I thought about the smile
And then realised its worth
A single smile like mine
Could travel round the earth
So if you feel a smile begin
Don't leave it undetected
Start an epidemic
And get the world infected.

Day 4 of social distancing:

Struck up a conversation today with a spider. Seems nice. He is a web designer!

Think about it.....

You are not stuck at home, you
are safe at home.

One word can change your
attitude, one cough can change
your life.

Dear life, when I said "can this day
get any worse" it was a rhetorical
question, not a challenge.

My husband purchased a world map. He gave me a dart and said "Throw this and wherever it lands I'm taking you on a holiday when this pandemic is over".

Turns out we are spending two weeks behind the fridge!
